Lynx,
Just like we do on campus each and every day, remember to always put your best PAWS forward! We are so proud of how PRINCIPLED, AUTHENTIC, WISE, and OF SERVICE you are to your families and communities during this time.

Stay PAWSitive and we’ll see you soon!

FLEXIBLE SCHEDULING

Take some time each day to accomplish the following:

1-2 Hours
Check all of your Google Classrooms for assignments & tasks - Check in with your teachers during their office hours.

30-45 Minutes
Practice math skills - websites, apps, or home projects (ex: measuring for a recipe).

30-45 Minutes
Read a chapter or two of a good book (fiction or nonfiction).

1-2 Hours
Get outside! Play a sport, go for a swim, or just take a walk.

30-45 Minutes
Help out. Get some household chores done - Laundry, Cleaning, or Cooking.

at least 1-2 Hours
Spend quality time with your loved ones.

You are free to work at whatever time of day works best for you and your family.
